## **Safety Measures on West Oxfordshire Community Transport Buses during Covid-19 Pandemic**

**Dear Passengers,**

**We need your help to keep risks when travelling on public transport to a minimum. We ask you to:**

- **Not use our bus if you feel unwell**
- **Wear a face mask. The Government has now said that this is essential.**
- **Sanitise your hands on entering the bus**
- **Sit next to a window**
- **Sit at least one seat away from other passengers. Use those seats indicated as being available**
- **Only share a seat if you are from the same household**
- **Pay using a contactless card (if you can only pay by cash, we will only accept the correct amount)**

**For our part, we will:**

- **Sanitise the buses between each journey and deep clean them with an especially purchased sanitising system at the end of each shift.**
- **Provide our drivers with face masks, gloves and hand sanitiser**
- **For those times when there is a high demand, i.e. 215 at 08:55, 10.55 and 214 at 09:20 and 11:20, we will enhance capacity, by running a second bus immediately behind**
- **The Bus will show 'Bus Full' sign when the socially distanced capacity is reached**
