

Report – Fuel cost of mowing playing field

12 October 2022

OVERVIEW

The Council has received a request from the Football Club to cover the fuel cost of mowing the playing field.

BACKGROUND

The Football Club were given permission to use the playing field in March 2021 (minute below).

No rent has been charged for the usage of the field.

Minutes from 10 March 2021 – item 23

Playing field – To consider request from a local football club to use the playing field for training and matches

It was resolved to allow Leafield Football Club to use the playing field for training and matches, with no rent being charged for the first twelve months if the Football Club carry out required works, maintenance, mowing and marking out to the pitches in that time in lieu of rent.

FOOTBALL CLUB REQUEST

The Football Club has asked to be reimbursed for the cost of fuel (£20/week) for mowing the playing field area.
