

# What matters to you?

We want to find out more about the issues which matter to you most. We would like every household to complete and return a copy and all residents, of all ages, are encouraged to contribute so that we can understand the priorities of each generation.

You can download additional copies of this questionnaire from [www.leaffieldparishcouncil.org](http://www.leaffieldparishcouncil.org). Please return your completed questionnaires by 30 September 2023. You can do this online, by scanning or photographing your form and emailing it to [clerk@leaffieldparishcouncil.org](mailto:clerk@leaffieldparishcouncil.org), or by putting your paper copy in the box in the telephone box on the Green. Once we have collated the results, we will provide a summary to you all.
