

Report – Burial ground reseeding

10 May 2024

OVERVIEW

A section of grass in the burial ground has died over the winter. The area needs to be reseeded.

CONTRACTOR RECOMMENDATION

The burial ground grass maintenance contractor has recommended reseeding with a grass mixture better suited to wet ground.

COUNCIL DECISION

- Whether to accept the quote from the contractor to reseed the area with a grass mixture better suited to wet ground or seek a different solution.
