

Training opportunities

07 August 2025

OVERVIEW

The internal auditor has recommended that training for councillors and the clerk is a standard item on the meeting agenda.

Councillors need to determine what training is required for council to operate effectively, achieve its aims, objectives and priorities, and ensure it keeps up to date with all new legislation.

Leaffield Parish Council has a Training and Development Policy which outlines the council's policy, and training and development available to councillors and the Clerk.
