## 16. Elections 2019

16.1. **Briefing on arrangements by the Clerk:** The Clerk attended a session by Keith Butler, Returning Officer at WODC. The elections would be held on Thursday 2<sup>nd</sup> May. The period known as 'Purdah' for existing councillors would start on 26<sup>th</sup> March and the Clerk would display the Notice of Election from that date. The Clerk to be issued with Nomination Packs but applications could also be made direct to WODC. Applications to be hand delivered (by applicants) to WODC at Wood Green by Wednesday 3<sup>rd</sup> April at 4pm. Forms need to be checked for completeness by WODC prior to being accepted so it was advisable to submit them prior to the deadline. If there were fewer councillor applications than vacancies then those applying would be elected 'unopposed' without the need for an election.

16.2. **Recruitment of New Councillors:** It was discussed that there were currently only four councillors and not all of those currently in post may re-apply. The minimum number required for a quorum was three but this was far fewer than the set number of seven. It was therefore difficult to progress Council business with so little manpower and meant each existing councillor had a high volume of work.

The Clerk had displayed posters on noticeboards, Facebook and the website and asked residents who may be interested in applying. It was agreed to advertise in the School newsletter and the Benefice News and re-advertise on Facebook and the website, highlighting the current shortage of Councillors for election.

## Recreation & Leisure

17. **Play Area Report – Clerk to report on monthly inspection.** The last inspection did not highlight any work required but the Clerk had reported to councillors on the large amount of rubbish left over the parking bays. Most was removed at the time but it was a continual problem. The Clerk had put up signs requesting the bins were used.

Councillors were aware of anti-social behaviour taking place in the car park and play area and it was agreed to contact the PCSO to ask that the area is regularly patrolled.

Clr Hitchman had pruned back the bramble overhanging the old play area as previously agreed and was thanked by the Clerk.

18. **Village Hall** – There was no update.

19. **CCTV System: Review of quote from Cotswold Security.** The existing equipment was no longer operational and this was thought by the contractor to be caused by spikes in the electrical supply during power cuts. The Clerk had received a quote to upgrade the system and add an additional camera and UPS at a cost of £1,775.73 plus VAT. It was agreed to request two further quotes and consider relocating the equipment to the Pavilion.

## Environment

### 20. Burial Ground

20.1. **Review of Funding Options – as per information supplied by WODC.** Councillors reviewed loan options provided by WODC and discussed the possibility of a 15 year loan which would not impact the current Precept.

#### 20.2. Public Consultation

20.2.1. **Timing:** The Clerk had been advised not to undertake a consultation exercise during the elections 'Purdah' period which would not end until 2<sup>nd</sup> May. It was agreed to investigate CDS' availability for w/c 20th May and let the PCC know of the proposed date.

20.2.2. **Format of Meeting:** Cemetery Development Services to attend. Further arrangements to be determined.

The Clerk to look at further date options for the Council's meeting with the PCC.

21. **Grass Cutting 2019** – review of quote as per specification. McCrackens had provided a quote to cut the village greens, playing fields, play area and Buttermilk Lane at £275 per cut. It was agreed that this should be accepted on a three-weekly basis starting in April.

In addition, the Village Hall Car Park hedges to be cut as soon as possible (being mindful of bird nesting season) at a cost of £350 and the Drainage Ditch at a cost of £50, both on a one-off basis at present. The Burial Ground Extension would not be cut, bearing mind the proposed works this year.

*\* on the Green*

Deborah Triff had requested to meet with the contractors to brief them on the bulbs that had been planted and the Clerk to advise her of the above arrangements.

*Allotment path - one off cut in Spring and then as required - cost etc.*

22. **Review of Conservation Area around the Village:** This resolution was withdrawn.
